PROFILE SUMMARY

A detail-oriented and passionate React Developer with a deep understanding of modern web technologies including JavaScript (ES6+), Tailwind CSS, and React JS. I have hands-on experience building responsive websites and interactive single-page applications. I am a quick learner who thrives in collaborative environments and is eager to contribute to impactful projects while continuously upgrading my technical skills

SKILLS

- HTML & CSS
- JavaScript
- Tailwind CSS
- React js
- Git & Github
- Content Creation

EXPERIENCE

July 2024

Nxtlogic Software Solution Web Development Intern I completed a 15-day web development internship at NXT Logic Software Solution in July 2024, where I gained hands-on experience in front-end technologies such as HTML, CSS, and JavaScript. During the internship, I worked on real-time web development tasks under the guidance of professionals, which helped me improve my coding skills, understand development workflows, and apply best practices

EDUCATION & CERTIFICATION

B.SC- Computer Technology, Erode arts and science college. (2022-2025)
